

NABL Accredited Laboratory

An ISO 9001:2015 Certified Company

Extreme Technology & Solutions

We believe in Quality and Customer Satisfaction

Certificate No. CC-3485
NABL
Accredited Laboratory

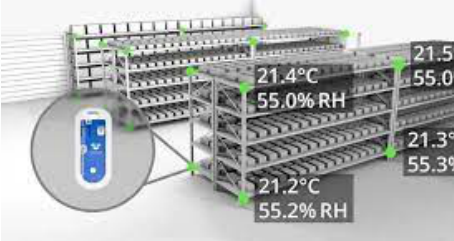

Equipment Validation / Thermal Validation / Temperature & Humidity Mapping:

Equipment Name

BOD Incubators, LOD Oven / Laboratory Oven / Hot Air Oven, Refrigerator, Deep Freezer, Cooling Cabinet, Stability Chamber (Temperature + Humidity), Walk In Chamber (Temperature + Humidity), Muffle Furnace, Heating Blocks, Dry Heat Sterilizer, Autoclave / Steam Heat Sterilizer, Tunnel, Vacuum Tray Dryer, SIP of Fermenter, SIP of Vessel

Area Temperature & Humidity Mapping:

Area Name

Cold Storage / Room / Area / Warehouse
Temperature + Humidity Mapping

Calibration of Instruments:

Instrument Name

Glass Thermometer, Digital Thermometer, Digital Thermo-hygrometer, Wet & Dry Hygrometer, Temperature Indicator & Controller, Temperature Indicator with Sensor, Pressure Gauge, Vacuum Gauge, Magnehelic Gauge / Differential Pressure Gauge, Compound Gauge, Temperature Gauge, Temperature Transmitter, RH Transmitter, Pressure Transmitter, Differential Pressure Transmitter, Pressure Switch, RPM Indicator, Stop Watch, Digital Clock, Hour Meter, Timer, Temperature / RH Sensors, Online Conductivity Meter with Sensor (With Conductivity Solutions & Loop Calibration), Online pH Meter with Sensor (With pH Solutions & Loop Calibration), Online ORP Meter with Sensor (With Solutions & Loop Calibration)

Third Party Calibration: Micrometer, Test Sieve, Vernier Caliper, Digital Caliper, Measuring Scale, Measuring Tape, Rota Meter, Lux Meter, Tachometer, Micropipette (Single Channel/Multi Channel), Digital Micropipette (Single Channel/Multi Channel), SS Weight Box (E1, E2, F1, F2 Class - Calibration by NPL, IDEMI).

PLC / Software / Computer System Validation: System Description

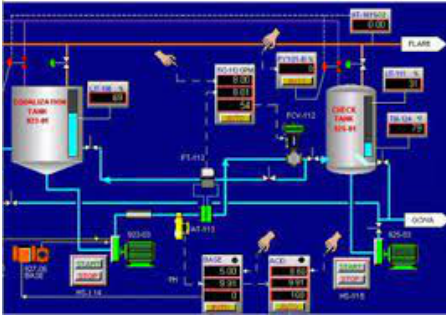

PLC Validation (PLC + HMI), Software (PC) Validation (PLC + IPC)

Industrial Automation: Description

21 CFR Data Logging System,
PLC Programming, SCADA Designing.

Material Supply: Material

21 CFR Compliance HMI and IPC, Pressure / Vacuum / Magnehelic Gauge, Temperature Indicator, Temperature Sensor and Transmitter, Temp/RH sensor and Transmitter, Pressure Transmitter, Rate indicator/Counters, Wireless or Wire Data Loggers, Thermo-Hygrometers, Vernier Caliper, Thermometers, All types of Weight Box & Loose Weights, All type Instruments, Micropipettes Supply, Cloth and Disposable Aprons Supply.

Lab Equipment Supply: Equipment

Hot Air Oven, Vacuum Oven, BOD Incubator, Stability Chamber, UV Cabinet, Heating Mantle, Photo-stability Chamber etc.

Registered Office
Flat No.3 Plot No.18 Gut no.128
Rajeshnagar, Beed bypass Road
Aurangabad,
